

The Contractor is to comply in all respects with the current Building Legislation, N.H.B.C. and Building Regulations whether or not specifically stated on this drawing.
This drawing must be read and checked against any Structural, Geotechnical or other specialist documentation or Plans provided.
This Drawing is not intended to show details of Foundations, Ground conditions or Ground Contaminants. Each area of ground relied upon to support any Structure deployed (incl. drainage) must be investigated by the contractor. A Suitable method of foundation should be provided allowing for existing ground conditions. Any earthwork constructions be further investigated by a suitable expert.
Where existing trees are shown to be retained they should be subject to a full Arboricultural Inspection for safety. A suitable method of foundation is to be provided to accommodate proposed tree planting.
