13 OCT 2011

Which of the following does the proposal involve?										
a) Total demolition of the listed building										
b) Demolition of a building within the curtilage of the lis	CY	es	No							
c) Demolition of a part of the listed building										
What is the total volume of the listed building? $\frac{4990.0000}{0000}$ m ³ What is the volume of the part to be demolished? $\frac{4990.0000}{0000}$ m ³										
What was the date (approximately) of the erection of the part to be removed? Month: 01 Year: [1865] (Date must be pre-application submission)										
Please describe the building or part of the building you are proposing to demolish:										
Rendered side (east) and rear (south) elevations, internal walls and partitions, and rotted timber internal floors where remaining. Remaining roof structure following fire damage and water ingress to be removed and re-instated to original design. Chimney stacks to be taken down and re-instated with construction of roof.										
Why is it necessary to demolish or extend (as applicable)	Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?									
The building has remained unused for approximately 30 years. During that period the building has suffered fire and water damage. This has lead to the loss of part of the roof, and internal damage. The eastermost part of the building has no internal floor structure left, and the majority of the remaining internal flooring is subject to further damage and rot; many of the stair landings have also collapsed. Due to its dangerous state, much of the building is too dangerous to access. Refer to Strucural Report for full details.										
11. Listed building alterations	-									
Do the proposed works include alterations to a listed bui	lding?	Yes		No						
If Yes, will there be works to the interior of the building?	iding:	(Yes	(No						
10 10 10 10 10 10 10 10 10 10 10 10 10 1		(Yes		No						
Will there be works to the exterior of the building?		(• res	(NO						
Will there be works to any structure or object fixed to the property (or buildings within its curtilage) internally or ex		Yes	\subset	No						
Will there be stripping out of any internal wall, ceiling or floor finishes (e.g. plaster, floorboards)?		Yes	\cap	No						
If the answer to any of these questions is Yes, please proven removed, and the proposal for their replacement, including	If the answer to any of these questions is Yes, please provide plans, drawings and photographs sufficient to identify the location, extent and character of the items to be removed, and the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s).									
State references for these plan(s)/drawing(s):										
37311:02 37311:03										
12. Listed Building Grading										
If known, what is the grading of the listed building (as st the list of Buildings of Special Architectural or Historical		C Don'	know	← Grade	Grade II*					
Is it an ecclesiastical building?										
	99 X2 WINDOW									
13. Immunity from Listing										
Has a Certificate of Immunity from listing been sought in respect of this building? (Yes (No										
14. Vehicle Parking										
Please provide information on the existing and proposed number of on-site parking spaces: Existing number Total proposed (including spaces Difference in										
Type of vehicle Existing number Total proposed (including spaces Difference in spaces retained) spaces
