10th December 2015

Dear Steven,

Re: Proposed two storey extension to form living room and master bedroom to first floor.

Address: Greenway Cottage, Greenway Lane, Bonvilston, CF5 6TR

We were granted planning permission to extend Greenway Cottage, which included inset Velux roof lights to the first floor.

The proposal is under construction and it, in my opinion, the Velux roof lights are not a traditional farmhouse detail and are out of sympathy with the surrounding area. I enclose drawing no. 556/P/60, indicating a more traditional approach.

I would be grateful if you could discuss the aesthetics with Peter Thomas. I hope the Vale of Glamorgan can agree with my opinion and, accordingly, I enclose an application for a non-material change to planning permission 14/00988/FUL and enclose my client's cheque for £30 in respect of the fee.

I trust this is sufficient for your immediate purposes; however, should you require any further information, please do not hesitate to contact me.

Yours sincerely,

Andrew Parker
