

THE VALE OF GLAMORGAN COUNCIL
SUPERSEDED

Proposed Floor Plan Layout

Ground Floor Layout

Second Floor Layout

First Floor Layout

This drawing is to be read with and checked against any structural geotechnical or other specialist documentation. Where existing trees are to be retained they should be the subject of a full Arboricultural report. The client is to confirm all legal boundaries prior to site start. The contractor is to provide method statement and risk assessment.

The contractor is to check and verify all building dimensions, levels and sewer invert levels at the connection point prior to starting works. The contractor is to comply in all respects with British Standard Specifications, Building Regulations etc whether or not specifically stated on this drawing.
