

This architectural elevation drawing shows a long, single-story building with a flat roof. On the left, there is a low wall covered in green foliage. The main building has several windows and a central entrance area. A sign above the entrance reads "SULLY SPORTS & SOCIAL CLUB". To the right of the entrance, there is a small tree. Further right, the building features a long, covered walkway supported by a series of vertical posts. The entire building is set against a plain background.
