Date April 2016

FAO Mr Butler,

Sully Sports and Social Club planning application 00843/FUL

I have been going to this club for years and do not want to see it shut. If approval for the new building is not given then the club will shut and the sports fields will be lost forever.

The sports field are used by adults and children who would have to travel a long way to find other suitable vacant pitches.

Please approve the application for this.

Regards
