Dear Sir

RE: PLANNING APPLICATION – SULLY SPORTS AND SOCIAL CLUB

I write in connection with the above application and shall be grateful if you could advise me of the following:

1. Has your planning department determined their recommendation in relation to the proposals for this planning application?
2. Has a site meeting been arranged at which all parties can attend the visit of the Planning Committee or those members thereof who choose to attend the site meeting.

I shall be grateful for your early response.

Yours faithfully

David Roberts
Clerk
