

26, Winsford Road,  
Sully,  
Cf64 5SB.

Mr S Butler,  
Case Officer  
Planning Dept  
Vale of Glamorgan Council.

03/07/16

Dear Mr Butler,

Re Objection to (Application Number: 2015/00843/FUL/SDB)(Amended Plans & Documents)

I would like to register my objections to the above planning application on Sully Sports Fields.

My first objection is that the infrastructure of the village could not cope with this size of expansion.

The School and Doctors surgery are already at capacity, the roads are already congested especially at peak times. Also with the development just given the go ahead at Cog Road and the proposed new development at Lavernock, this would make the village a complete bottleneck and highly dangerous for those of us trying to cross the roads.

My biggest objection however is the loosing of recreational land for the children and others from the village who regularly use these fields. I think this is also contrary to policy ENV6 (Land within undeveloped coastal zone) this is also evident in policy MG42(2) of the LDP, this policy says that the coastal zone should be preserved and enhanced, and says development in the coastal zone should be for agricultural nature and conservation of coastal access.

This development appears to ignore the Welsh government's strategy of creating an active Wales. By taking away half of this green space is not going to help

Yours sincerely

Mr Lawrence Bousie
