Dear Mr S Butler

Sully Sports and Social Club, South Road, Sully. Application number 2015/00843/FUL

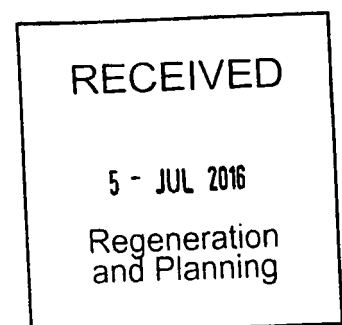

We would like you to take into account our views as club members and club users

- Our club is used by clubs not known about in the wider area (i.e. radio club)
- In addition to sporting clubs also hosts classes for the community such as aerobics and line dancing ricochet and yoga.
- Sully needs a boost and to attract young families in particular with the facilities and new houses
- Can be a centre of sporting excellence for the Vale
- New facility to be funded by private money rather than from public funds, which with cuts is leading to closure of facilities elsewhere anyway
- Astro pitch very important to allow fixtures/games to continue in light of water logged pitches (recent weather conditions have undoubtedly caused problems to football and Rugby this season.
- Site will be left to ruin and eyesore and health and safety hazard, no benefit to anyone
- Club is important for future of Sully as a community facility for all.
-
- Please take into account our views and support our club application which is before the planning Department.

Yours Sincerely

- Can be a centre of sporting excellence for the Vale
- New facility to be funded by private money rather than from public funds, which with cuts is leading to closure of facilities elsewhere anyway
- Astro pitch very important to allow fixtures/games to continue in light of water logged pitches (recent weather conditions have undoubtedly caused problems to football and Rugby this season.
- Site will be left to ruin and eyesore and health and safety hazard, no benefit to anyone
- Club is important for future of Sully as a community facility for all.
-
- Please take into account our views and support our club application which is before the planning Department.
