

A4232 crosses Cwrt-yr-Ala Road

Existing access road leading to the proposed restoration area is largely enclosed by mature vegetation which will restrict its influence on the wider landscape

Site photo 1: From Cwrt-yr-Ala Road

Undulating and well-vegetated farmland landscape restricts the wider influence of the access road

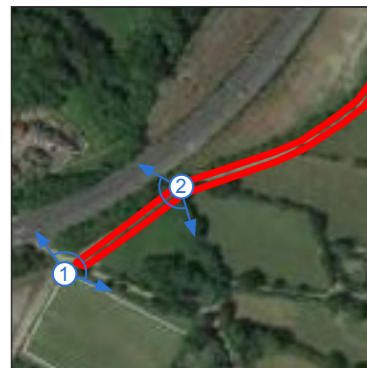

Existing access track to the proposed restoration area

A4232 obscured by a combination of screening by mature vegetation and sloping landform

Site photo 2: From existing access road
