Dear Sir,  
 Re: Planning Application 2014/01160/  
 WOODSIDE HAMLET, HAM MAND  
 LLANTWIT MAJOR. (TREE TEND).

Even though my protest at this  
 LARGE "AMENDED" Planning Application  
 is handwritten I expect it to be  
 given the same consideration as  
 computer protests. After all we live  
 in a democratic society.

My objections together with  
 my husbands are as follows:-

● necessary Egress from  
Milly Lane.

- ② Damage to the ecology.
- ③ Flooding.
- ④ Anti-social behaviour.
- ⑤ Damage to Ancient  
Woodland.
- ⑥ Disturbance to wildlife.
- ⑦ Litter.
- ⑧ Plus an elderly widow  
living at the top end of  
Milly Lane near Ham Lane  
was refused Planning  
permission twice to build 2  
houses for her daughter on  
private land because of the  
access/egress from Milly Lane

Yours faithfully
