Comments	<p>I object to the proposed change of use of the Woodland Hamlet for the use of tourists, on the following grounds 1. Increased traffic through a residential park for elderly persons, many who have difficulty with mobility. 2. The impact on the local environment i.e. destruction of the habitat of many woodland creatures. 3. Increased noise and light pollution for both human and non human inhabitants of the area. 4. Lack of onsite mangement which may lead to distress for residents of the park and wildlife in the woodland. 5. Use of Mill Lay Lane for access. This is a narrow roadway which already causes problems for vehicles traversing it, due to lack of visibility for approaching traffic. 6. Lighting of fires in ancient woodland, leading to further destruction of an area of natural beauty.</p>
