Comments	<p>Other type details: My late mum owned one of the lodges which is now being passed over to me and my family . Comment: These plans should absolutely not go ahead !!! Woodside hamlet is a respectable neighbourhood.Its unique,extremely quiet with absolutely no problems wotsoever until now!!! Living so close to the woods it's so beautiful to see the wildlife passing whist sitting peacefully either in the garden or watching out of the window.All of this will be destroyed if the planning goes ahead .Privacy will be a no no whist now it's a very private area .There are many elderly people living in the caravans and they chose to live where they are to have peace and tranquility .If those tents go ahead it will cause much disruption, more traffic , no privacy and lots of noise .A big concern to myself and many of the residents at Woodside hamlet is that it could massively reduce the price on our properties.</p>
