Comments	<p>I wholly oppose this application for the following reasons :- 1. Increase in overall noise, waste and light pollution affecting residents and wildlife. 2. Increase in traffic travelling to/from the site. Given the increase of traffic/noise/litter in recent years due to the continued expansion of the Farmers Barns, Lodges and intended ten motel rooms this development will only compound these issues for local residents and wildlife. 3. The site will have a detrimental impact on the ecological system of an ancient wood affecting the local wildlife including plants and animals. 4. Mill Lay Lane is already a narrow and sometimes dangerous road with many blind bends. Many of the local people enjoy walking/running/cycling along this road to the local beach and the extra traffic will only increase the risk to these people. 5. Llantwit Major is already under attack from national developers building on Greenfield sites.</p>
