Subject: Planning Application No. 2016/01274/PNT

Importance: High

Dear Mr Howell,

Re. Planning Application No. 2016/01274/PNT – Installation of a 12.5, slimline mock telegraph pole supporting 6 no. antennas, 2 no. transmission dishes, 2 no. equipment cabinets and ancillary development there to at Land at Bull Cliff, Off Marine Drive, Barry

This is currently under officer delegated powers, however, should officers recommend approval, then I wish to call in the above mentioned application due to the huge amount of public regarding this application and the very strong objection to it made by the planning committee of Barry Town Council at its' meeting of the 15th November 2016.

Should officers recommend refusal then I will be happy for it to remain under officer delegated powers.

Yours Sincerely,

Cllr Steffan Wiliam
Baruc Ward
