Dear Sir,
 Planning Application 2016/01442/FULL
 Llaneston Lakes, Llaneston Country Park,
 Llaneston Road, Penarth.

Further to the above I feel the above should be abolished. It will infringe on the wildlife as it is their habitat, and spoil beautiful natural views as well as creating unnecessary noise because it ~~has~~ ^{is} been noticed as loud.

Leave the site as it was meant to be as a nature reserve and recreational area for walking and picnicing.

Also it will adversely affect the normal number of visitors using the car park area.

Yours sincerely,

P.S. Wakeboarding is no good for this site.
