Dear Sirs

I wish to express my concern at the plan to bring Wakeboarding to Cosmeston Lakes Country Park.

The area is a beautiful, peaceful nature reserve, much loved by the community, and visited by nature lovers from far afield, simply because of the diversity of wildlife and tranquil surroundings. Do you really believe that the swans, geese, gulls, coot, reed warblers, and other wildlife that nest in and around the lakes will not be affected by the activity, noise and wakeboarder' wash? Not to mention the people who visit to savour the tranquility and beauty of the place.

If you want to convert Cosmeston from a much loved conservation area to a loud and noisy water sports park, then just admit it, but please don't protest that it will make no difference.

Regards
Sue Powell
