Dear Sirs,

I wish to register my objection to the proposed wakeboard facility at Cosmeston lakes.

Cosmeston is a Nature Reserve and SSSI. Having a wakeboard facility there is totally inappropriate. The park should be kept for the enjoyment of all. Cosmeston lakes are natural habitat for many different species, and the impact of a wakeboarding facility will be very harmful to the environment. The disruption of the development alone will be enough to drive animals away from the lakes, and this is detrimental to the beauty of Cosmeston.

VOG Council are responsible for the safekeeping of Cosmeston, so I expect you to reject this ludicrous proposal. If you don't, I shall be doing further research into what your responsibilities are and whether you have fulfilled them.

Please could you reply, confirming that you have registered my objection?

Many regards,

Emma Bright
