Subject: Wakeboarding at Cosmeston Nature Reserve

Re: Application - 2016/01441/FUL

Dear All,

I am writing to you to object to the proposal for wakeboarding at Cosmeston Country Park. Having grown up around the corner from Cosmeston, I find it very upsetting that a wakeboarding centre is being proposed for a nature reserve.

Cosmeston is within a site of SSSI which should preserve it's right to be protected. Creating this wakeboarding centre would be damaging for wildlife and nature and should not be acceptable.

Many thanks,

Katherine Jones
