DEAR MADAM,

We wish to lodge the strongest objection to the proposed wakeboarding scheme at Cosmeston Lakes Country Park. LAVERNOCK. These lakes are SSI protected, and were developed as a haven for wildlife, and also for the public to enjoy the peace and tranquility of the area. This is NOT a theme or amusement park, it is a Country Park, wakeboarding would bring noise (ie. bud haulers) and problems with parking, which we are already experiencing in our road, along with vandalism at night. We suggest Bamy would be a suitable venue for this proposed development Signed: Mr. Mrs J.M. YOUNG
