Re. MR. T. ROBINSON

Dear Sir.

Regarding proposed residential development of up to 190 units on land west of Swanbridge Road, Sully I wish to register my very strong disapproval.

Have the Council given any thought to the young people of this area. South Road has become very congested with traffic and it is very dangerous when the children are going to school and also at home time.

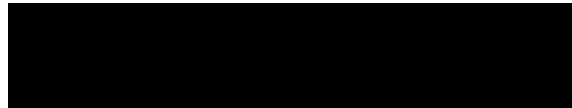

You are ~~snatching~~ snatching away all the green areas where they have a little recreation and places to meet their friends and family

and socialise with neighbours.

I've witnessed young teenagers at home time trying to cross this road with difficulty as cars, lorries, vans and buses travel both ways with little regard at times to those on foot. It's an accident waiting to happen.

The Council is responsible for the health and safety of this community. Do not shirk your responsibility.

Yours faithfully

(N. M. MELVIN, Mrs)
