Re Application No 2017/0054/FUL  
Northcliffe Lodge

Dear People resolving the issue

Here are some comments:

To get to the place showing the  
plans would take me 2 bus  
journeys each direction.

I have a computer but

many of those of us concerned may have,

Some issues:

Are you allowing 1 parking space per bedroom? If not why not? Manners Heights does! Also Penarth Heights  
Paget place cannot take many more cars and the access road will further reduce the number by 3 or 4 I already have to step out from between parked cars to flag down the buses. Cars will be needed.

Available bus service, 89

Sept - April hourly to Penarth from 09.22 - 18.22 from Monday through Saturday.

To Cardiff - hourly to Custom House street 08.22 - 18.22

No bank holiday or Sunday service. Summer service adds a 30 mins upport service for part of Saturday, Sunday & Bank Holiday 9/ for late morning through afternoon

Yours anxiously

Jean Richards

PS I'll miss the bird song when the trees are all gone - 😞 Yours tearfully
