Subject: 2017/00541/FUL NORTHCLIFFE LODGE OBJECTION

I am writing (again) to object to the proposed Northcliffe Lodge development.

My primary objections are that they would have a detrimental impact due to insufficient space for the extra cars and residents, and the environmental impact would also be significant. I also have concerns about the safety of this development on the cliff; we have seen in the news recently the awful outcomes that can happen when safety concerns are ignored in favour of profit.

Less importantly although still of concern is the fact they look awful (although I realise that's subjective).

Many thanks,
