REF:- 2017/00564/FUL

I chose to live in the rural vale  
near Llanmaes and can see no justification  
of destroying the countryside with the  
northern Access Road.

It would seem ANY reason will do  
to push through this aim EA!-

① NO ROAD/NO HOUSES unless the

academy approved for MOD Strathan.

as this failed the excuse now is:-

② To service Astron Martin who have  
stated they do not need this road.

So much money has already been  
washed trying to justify a new road  
going from where? to where? for  
what?

Which pot is being raided to  
finance it?

Our community will be at the  
heart of all this disruption and  
destruction of the countryside and  
easy access to the nearest bus  
stops will be denied us along

with restricted access for emergency  
vehicles.

I totally oppose the building  
of this road.

Yours

  
(ANNIA BEL ASPINALL BEM(MIL))
