Planning application No.2017/00564/FUL

28th July 2017

Dear Sir /Madam

I write to object to the proposed planning application above.

My reasons are on ecological and environmental grounds

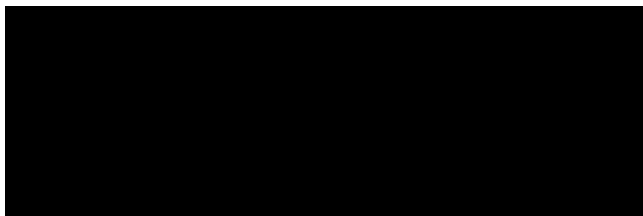

and the destruction of the countryside also on financial ground there is an existing road (Egllws Road)that could be improved and adapted without the proposed highway being built.

When are the local authority going to listen to its resides ?

I have terns a copy of this letter to my local councillor and the Welsh media.

Thank you for your attention in this matter.

G A Cole
