Hi Ceri,

Sorry, it was committee deadline this week and I do not work Tuesday. I would have called you back but our external phone lines have not been working properly. Please find attached EIA screening document for the variation of condition application at the docks.

I hope this of some assistance

Kind regards

Morgan

We have received a request to make a screening direction for the above planning application - *variation to condition 5 of planning permission 2015/00031/OUT to include fire tank and building as well as relocation of parking* at the Biomass Plant, David Davies Road.

Could you give me some indication of when this may go before a planning committee?

Thanks

Ceri
