Thanks Morgan – glad to hear you are recovered.

I'll see what we can obtain on the pumphouse.

Kind regards

Hi Douglas,

Sorry for delay, I have not been work for around a week and half due to illness.

Please see response from Public Health Wales regarding the application. Could you view the comments made with respect to public health risk assessment and noise and fumes from the plant installed at the pump house and provide a response and any relevant information for the council to inform the consultee.

Kind regards
