RE: FORMAL WITHDRAWAL OF S73A PLANNING APPLICATION (REF 2017/01080/FUL)

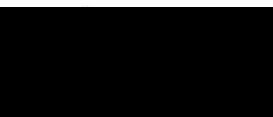

Dear Mr Robinson,

Further to the recent correspondence regarding the above matter, I am writing on behalf of Biomass UK No.2 Ltd (Barry Biomass or the Applicant) to formally withdraw the retrospective Minor Material Amendment application (REF 2017/01080/FUL) made under Section 73A of the Town and Country Planning Act 1990.

In order to ensure compliance with the extant 2015 permission (2015/00031/OUT), the Applicant will now take the necessary measures to dismantle and remove the fire water tank and to re-align the site boundary in the location of the car park.

We will inform the Vale of Glamorgan when these actions have commenced and will provide further updates as appropriate.

Yours sincerely,

Richard Frearson
Managing Director
