**Application No. 2017/01080/FUL**

In acknowledging receipt of the above application, I informed you that the target date for determination of the application was 22 December 2017. Whilst every endeavour has been made to reach a decision on your application within the statutory time unfortunately this will not be possible.

The reason why your application has not yet been decided is because the Council requires additional time to consider the scheme.

Further to the above, I am writing to ask you to formally agree to extend the period for deciding your application until 20 November 2019.

Please indicate your agreement by emailing me by return at [Planning@valeofglamorgan.gov.uk](mailto:Planning@valeofglamorgan.gov.uk) quoting application ref: 2017/01080/FUL.

**Please note that depending on the circumstances of the case, failure to formally extend the time period may result in the refusal of your planning application.**

If you require any further information please contact the case officer immediately via the contact details above.

Yours faithfully

Mr. Morgan P. Howell
