Dear Sir/Madam,

**Re: Remediation and demolition of the site known as Cowbridge Sheep Market, The Butts, Cowbridge, including removal of asbestos materials, demolition of former public conveniences, livestock sheds, auction pens, weighing and loading areas and market office building. To break up and crush existing concrete bases and hardstanding, grading area, on completion leaving flat for public parking**  
**Cowbridge Sheep Market, The Butts, Cowbridge**  
**Pl.App.No.: 2020/00385/CAC**

Thank you for consulting us on this application.

You may recall our previous letter dated 22nd April 2020 (Our ref: VOG1468/HB) in which we recommended an archaeological watching brief in order to mitigate the impact of the proposed development upon the archaeological resource.

We note the application's amended Heritage Impact Statement (Rev.2.7.20), in which the proposed works will not entail groundworks. As the proposed works are above ground, it is no longer considered that the development will have a detrimental impact upon the buried archaeological resource.

Consequently, given this new information we would like to retract our previous recommendation for archaeological mitigation and as the archaeological advisors to your Members, we have no objections to the positive determination of this application.

If you have any questions or require further advice on this matter, please do not hesitate to contact us.

Yours faithfully,

A handwritten signature in black ink that reads 'H. Bowden'.
