Dear Robert Lankshear

Having carefully considered the information provided with the planning application, our records show that there are no scheduled monuments or registered historic parks and gardens that would be affected by the proposed development. We therefore have no comments to make on the proposed development.

We will be in touch shortly regarding the listing query.

Kind Regards

Laura Cooper

Subject: 2020/01170/OUT Land at Upper Cosmeston Farm

Good afternoon,

Further to the consultation request sent on 23 October, I write to enquire what the likely timescale for a consultation response would be?

I note from representations made with regard to the planning application that a request has been sent to Cadw to consider listing of the existing farm buildings on the site that are shown to be removed within the proposals. Please can you confirm the status of any such request.

Please do not hesitate to contact me if you need to discuss anything further.

Kind regards
