Subject: 2020/01170/OUT - Further consultation response received

Dear Emma,

Further to our meeting on Monday please see further consultee comments received for your information including those from our Ecologist, NRW and our landscape officer. Whilst I am still considering their content, you will note that these expand upon some of the points discussed in the meeting in terms of the visual impacts of the proposals, and also the need for clarification of some of the ecological information, including but not limited clarification of level of hedgerow loss and cross referencing of proposed impact and mitigation.

For you information, I am now on leave and I will return to work on Tuesday 1 December, so if you have any queries please contact me then to discuss.

Kind regards

Robert Lankshear
