

# Cyngor Cymuned Tregolwyn Colwinston Community Council

21 November 2023

**Planning Application No.** 2023/01029/CAC (VI)

**Location :** Field access to the West of Village Farm House, Colwinston

**Proposal :** Repairing existing stone wall, reusing existing stone, and widening of field access with new gate

Colwinston Community Council submit below their comments to this application.

## Objection

This is a retrospective application and the Community Council oppose this for the following reasons.

1. The wall is in the Colwinston Conservation Area and contained a Coffin Stile which had been included in the Vale of Glamorgan County Heritage collection.
2. On the removal of the stile, the Community Council and County Member informed the Vale Conservation Officer who was in agreement that the stile should not have been removed but retained on the site.
3. The Vale of Glamorgan agreed to an enforcement notice being made for the restoration of the stile.

ENF/2019/0249/CCC - Field Access to the west of Village Farm House,  
Colwinston

4. The application makes no reference to the stile and the Landowner has had sufficient time to make good this loss to the Conservation Area but has failed to do so.
5. The Vale of Glamorgan are asked to deny this application and request a resubmission with the Coffin Stile being reconstructed in the wall.
