

Appendix 8.5

Site Plan Indicating Location of Modelled Noise Sources

APPENDIX 8.5
SITE PLAN INDICATING LOCATION OF MODELLED NOISE SOURCES

Figure A8.5.1: Site plan indicating grid coordinate references x, y coordinates for all external noise sources for Stage 1 of the Construction Phase

Figure A8.5.2: Site plan indicating grid coordinate references x, y coordinates for all external noise sources for Stage 2 of the Construction Phase

Figure A8.5.3: Site plan indicating grid coordinate references x, y coordinates for all external noise sources for Stage 3 of the Construction Phase

Figure A8.5.4: Site plan indicating grid coordinate references x, y coordinates for all external noise sources for Stage 4 of the Construction Phase

Figure A8.5.5: Site plan indicating grid coordinate references x, y coordinates for all external noise sources for the Operational Phase

Figure A8.5.6: Site plan indicating grid coordinate references x, y coordinates for all external noise sources for the Decommissioning Phase
