Chapter 9

Figure 9.1: Study Area

Appendix 9.2: Archaeological Desk Based Assessment

Chapter 10

Figure 10.1: Site Outline

Figure 10.2: Measurement Location Map

Figure 10.3: Graph of on-site environmental noise measurements (Fixed 1)

Figure 10.4: Graph of on-site environmental noise measurements (Fixed 2)

Figure 10.5: Noise map of development site – example layout option

Chapter 11

Figure 11.1: Monitoring Location

Figure 11.2: Modelled Receptor Locations

Appendix 11.1: IAQM Construction Dust Assessment Methodology

Appendix 11.2: Model Verification

Appendix 11.3: Traffic Data

Appendix 11.4: Modelled Receptor Details

Appendix 11.5: Meteorological Windrose

Appendix 11.6: Model Results (Human Receptors)

Appendix 11.7: Model Results (Ecological)
