- K: Landscaping updated. 20.03.24
- J: Latest engineering info (steps, banking and retaining structures) imported with some private footpaths adjusted to suit. Foul pumping compound now omitted. 07.03.24
- H: Highway design updated following comments received in meeting with LA in January. Junction radii increased and altered surface road extended. Parking allocation amended. Public open space and play area improved. Substation omitted. Front boundary to plot 22 updated. Indicative solar panel and air source heat pump locations added to site plan. 13.02.24
- G: Plots 38, 42 and 44 handed. Affordable units revised to address comments from LA housing strategy dept. resulting in alterations to plots 10-14 & 19-21. Bin storage areas to plots 13 and 20 relocated to the front of property due to site levels not allowing for acceptable rear access to mid terrace units. Bin store provided to flats (9-11) and site shelters provided to all flats (9-1 & 15-18). 27.11.23
- F: Shared private drive serving plots 22-28 widened to the front of plots 25-28 to accommodate turning area for the transitional delivery vehicles. Bin collection point added to the front of plot 22. Parking allocation reduced for the 3 bed affordable units (plots 10-12 & 19-21). Substation moved back 400mm. 29.08.23
- E: Application boundary updated. 06.07.23
- D: Engineering information imported in to layout. 07.06.23
- C: Minor adjustments to house types. Private footpaths added with refuse storage added within rear gardens. Bicycle Storage sheds added to plots that have not been allocated a garage space. Refuse collection points added. Colour added and site key updated. 05.05.23
- B: New open market units added to site layout to comply with new Part 1 regulations, resulting in revised floor areas. To accommodate larger units; plot 28 substituted to a Shelby house type (previously a Roxbury); plot 43 substituted to a Roxbury (previously a Thornbury). Plots 38 and 39 watched. All units and boundaries adjusted as a result of revised footprints. 20.04.23
- A: New WDOF affordable units added to layout (plots 3-21). Plots 15-18 reoriented to face north. Latest attenuation basin design imported from engineers site pack. Translocated hedgerow relocated to top edge of basin's southern boundary. 03.03.23
