Good afternoon,

Wales & West Utilities plans should now be obtained from LSBUD (<https://www.linesearchbeforeudig.co.uk/>).

If you are working on behalf of a utility company, local authority or contractor working on behalf of a local authority and would still like to continue receiving asset information directly from WWU's Plant Protection Team, an administration fee of £45.00 + VAT will now be applicable.

If you would like to proceed with your request, please let us know whether you will be paying by card or cheque and we will process your request.

Please note that your request will not be processed until we receive payment.

Regards
