Subject: FAO Mr Ceiri Rowlands - Woodland Trust comments on application 2019/00871/OUT

Dear Mr Rowlands,

Whilst the Woodland Trust appreciates that the consultation deadline for this application has now passed, we would appreciate clarity on certain aspects of this development in relation to ancient woodland.

The Trust notes that the documents accompanying this application outlines that a 'suitable buffer zone' is provided to the adjacent ancient woodland (at grid reference: ST0774667388), yet we cannot find reference to the size of the buffer afforded. If it is possible to receive further information on this, it would help the Trust to assess whether there will be any detrimental impact to the ancient woodland from this development.

Kind regards,
Nicole Hillier

Cases involving woods and trees under threat can change and evolve during the planning process due to a wide variety of reasons. Where a development involving ancient woods or veteran trees no longer remains a threat due to changing circumstance surrounding said application and based upon professional judgement steered by our conservation research, the Woodland Trust withholds the right to withdraw or amend its objection and review its approach.

The Woodland Trust is not a statutory body. As a charity, we provide all information in good faith, funded by public donations. For more information about this [visit here](#).
