Reason for Granting Planning Permission

The decision to recommend planning permission has been taken in accordance with Section 38 of The Planning and Compulsory Purchase Act 2004, which requires that, in determining a planning application the determination must be in accordance with the Development Plan unless material considerations indicate otherwise. The Development Plan for the area comprises the Vale of Glamorgan Adopted Local Development Plan 2011-2026 and Future Wales – the National Plan 2040.

Having regard to Policies SP1 (Delivering the Strategy), SP9 (Minerals), SP10 (Built and Natural Environment), MG17 (Special Landscape Areas), MG22 (Development in Minerals Safeguarding Areas), MD1 (Location of New

Development) MD2 (Design of New Development), MD7 (Environmental Protection), MD8 (Historic Environment), MD9 (Promoting Biodiversity) and MD17 (Rural Enterprise) of the Local Development Plan, Future Wales – the National Plan 2040, Planning Policy Wales and the relevant Technical Advice Notes and Supplementary Planning Guidance, the proposal is considered acceptable in principle in this countryside location, in respect of its visual and landscape impact and impact on highway safety and in all other respects.

It is considered that the decision complies with the Council's well-being objectives and the sustainable development principle in accordance with the requirements of the Well-being of Future Generations (Wales) Act 2015.

The appropriate marine policy documents have been considered in the determination of this application in accordance with Section 59 of the Marine and Coastal Access Act 2009.

NOTE:

1. **Solar panels have not been included as part of the proposal and if required are likely to need a separate planning application.**
2. **New developments of more than one dwelling or where the area covered by construction work equals or exceeds 100 square metres as defined by The Flood and Water Management Act 2010 (Schedule 3), will require SuDS Approval Body (SAB) approval prior to the commencement of construction. Further information of the SAB process can be found at the Council's website or by contacting the SAB team: sab@valeofglamorgan.gov.uk**

Please note that this consent is specific to the plans and particulars approved as part of the application. Any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. You (or any subsequent developer) should advise the Council of any actual or proposed variations from the approved plans immediately so that you can be advised how to best resolve the matter.

In addition, any conditions that the Council has imposed on this consent will be listed above and should be read carefully. It is your (or any subsequent developers) responsibility to ensure that the terms of all conditions are met in full at the appropriate time (as outlined in the specific condition).

The commencement of development without firstly meeting in full the terms of any conditions that require the submission of details prior to the commencement of development will constitute unauthorised development. This will necessitate the submission of a further application to retain the unauthorised development and may render you liable to formal enforcement action.

2022/01348/FUL

Failure on the part of the developer to observe the requirements of any other conditions could result in the Council pursuing formal enforcement action in the form of a Breach of Condition Notice.

ATTACHED TO THIS FORM**

NOTES

Notification to be sent to an applicant when a Local Planning Authority refuse planning permission or grant it subject to conditions.

Appeals to the Welsh Government:

- If you are aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act 1990 (as amended).
- If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Crown Buildings, Cathays Park, Cardiff CF10 3NQ or you can access their website here: <https://gov.wales/planning-appeals>
- The Welsh Government can allow a longer period of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Welsh Government need not consider an appeal if it seems that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any Development Order and to any directions given under a Development Order.
- In practice, the Welsh Government does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

Purchase Notices:

- If either the Local Planning Authority or the Welsh Government refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).
